Job Title: MIG Welder

Location:

Salary: per industry standards and Experience (₹15,000 – ₹20,000 per month/ 26 days / 8hrs)

Employment Type: Full-Time / Contract

Job Overview

We are seeking a skilled **MIG Welder** to join our team. The ideal candidate will perform metal welding and fabrication using MIG welding processes to produce high-quality joints and assemblies as per specifications, blueprints, and work orders.

Key Responsibilities

- Perform **MIG welding** on various metals (steel, stainless steel, aluminum, etc.) as per job requirements.
- Read and interpret **fabrication drawings, blueprints, and work orders** accurately.
- Prepare materials for welding by **cleaning, aligning, and setting up fixtures**.
- Operate welding equipment safely and efficiently to meet **production quality and targets**.
- Inspect welds for **quality, strength, accuracy, and compliance** with standards.
- Maintain welding equipment, tools, and work area in a clean and organized manner.
- Follow **safety procedures, company policies, and industry best practices** at all times.
- Report any mechanical issues or material shortages to supervisors.

Required Skills & Qualifications

- **Experience:** Minimum 1–3 years as a MIG welder or similar welding role.
- **Certification:** Welding certification preferred (ITI, vocational training, or equivalent).
- Strong understanding of **MIG welding techniques, equipment, and safety standards**.
- Ability to **read and interpret drawings & specifications**.
- Good eye for detail and **quality-focused welding execution**.
- Ability to work independently and as part of a team.
- Physical stamina and ability to work in industrial environments.

Preferred Attributes

- Experience with **fabrication and assembly** in manufacturing or construction.
- Familiarity with **welding safety regulations** (PPE usage, hazard handling).
- Good communication and teamwork skills.
